1. Dummy0 is currently following remtiw

	username_followed	username_follower	followstatus
Edit Copy Delete	remtiw	dummy0	1
Edit Copy Delete	dummy0	remtiw	1

2. User is currently dummy0, and he wants to unfollow remtiw.

Unfollow a user

remtiw

unfollow

Go back

3. Dummy0 is now not following remtiw

Unfollow a user

remtiw
unfollow

You have unfollowed remtiw. Go back

4. Mysql shows that the dummy0 following remtiw relationships is deleted (note that this doesn't mean that remtiw can't follow dummy0)

	username_followed	username_follower	followstatus
Edit Copy Delete	dummy0	remtiw	1

5. Try to unfollow remtiw again would result in a message for when you are trying to unfollow someone you're not following

Unfollow a user

Enter Username
unfollow

You are already not following remtiw. Please try again. Go back
